

# pInstruments® Product Catalogue ► 2018

► **WARWICK MUSIC GROUP** has been involved in music and music education since its inception in 1994 as a sheet music publisher. Now one of the leading manufacturers of brass instruments globally and an engaged audience of 2.5 million people monthly, WMG's vision is that the world's greatest musicians of the future will start their musical journey with us. In 2018, we introduce two exciting new products: pCornet and pTrumpet hyTech which augment our pathway of brass instruments from age 3 to 11+.

## pBuzz®

**PBUZZ** is the easy way to get into brass playing with your first buzz. Offering a truly authentic experience of a proper mouthpiece, pBuzz has a range of 6 notes through its moveable slide. The slide positions are outlined by colour, note name (i.e. F, G, A, B, Bb, C) and also slide position from 1 to 6. The colour scheme ties in with any other instruments using the Orff system.

Children can learn by many ways with pBuzz including note, slide position and colour to aid the understanding of pitch and varying length. Suitable for children of all ages, but especially from as young as 3 or 4 years old as part of your elementary or primary provision, the pBuzz works as a perfect addition in the classroom to recorders, chime bars, and hand percussion. Also available in Classroom sets of 15 and 30.

### ► Product Specification

- > 5 1/8 inch (130mm) Bell
- > Detachable mouthpiece (will accept any small shank trombone mouthpiece)
- > Coloured slide to help note location
- > Notes and number on slide
- > Lightweight and Durable
- > Closed length: 55 cm
- > Extended length: 81 cm
- > Manufactured in the UK

# pBone®

**PBONE**, the world's first plastic trombone, is a lot of fun and also a quality instrument. Lightweight, extremely durable and available in a range of 8 engaging colours. Pitched in Bb and supplied with two mouthpieces, carry bag, 6 months free membership of the International Trombone Association and free online lessons from **MusicGurus.com**.

## ▶ Product Specification

- > Pitched in Bb
- > 8-inch Bell
- > Lockable slide and water-key
- > Durable ABS and glass fibre slide
- > Weighs 1.8 pounds (800g)
- > Fabric carry bag, 6.5 and 11C small shank plastic mouthpieces included
- > Available in 8 colours

## ▶ Available colours

- > Durable ABS and glass fibre slide
- > Weighs 1.1 pounds (500g)
- > Fabric carry bag, pBone mini (13C) small shank plastic mouthpiece included
- > Available in 2 colours

pCornet<sup>®</sup>

**PCORNET** is the world's first ever fully plastic cornet – based on the traditional Shepherd's crook Bb cornet. The pioneering British design of the pCornet makes it the ideal first instrument and comes in its own cloth bag along with 2B and 4B plastic mouthpieces.

## ► Product Specification

- > Traditional Shepherd's Crook Bb Cornet
- > 4 ¾ inch Bell
- > Unique fully plastic valve system with interchangeable valves
- > Durable ABS
- > Adjustable Main, 1st and 3rd Valve Tuning Slides
- > Weighs 1.1 pounds (500g)
- > Cloth carry bag, 2B and 4B plastic mouthpieces included
- > Available in 1 colour

## ► Available colours

-  **PCORNET1R** Red

# pTrumpet®

**PTRUMPET** is the world's first-all plastic trumpet using innovative design and manufacturing to create a trumpet made only from plastic. pTrumpet has remarkable sound quality, terrific playability and looks really cool and funky. Less than half the weight of a brass instrument, it is very durable and features interchangeable valves, making it perfect for young children. Available in a range of 8 vibrant colours, pitched in Bb, supplied with 2 mouthpieces, carry bag and adjustable valve caps.

## ► Product Specification

- > Pitched in Bb
- > 4 ¾ inch Bell
- > Unique fully plastic valve system with interchangeable valves
- > Durable ABS
- > Adjustable Main, 1st and 3rd Valve Tuning Slides
- > Weighs 1.1 pounds (500g)
- > Fabric carry bag, 3C and 5C plastic mouthpieces included
- > Available in 8 colours

	<b>PTRUMPET1BLK</b>	Black
	<b>PTRUMPET1B</b>	Blue
	<b>PTRUMPET1G</b>	Green
	<b>PTRUMPET1OR</b>	Orange
	<b>PTRUMPET1P</b>	Purple
	<b>PTRUMPET1R</b>	Red
	<b>PTRUMPET1W</b>	White
	<b>PTRUMPET1Y</b>	Yellow

## ► pTrumpet Mouthpieces

3C and 5C plastic mouthpieces available in **Blue, Black, Green, Orange, Purple, Red, White, Yellow**

# pTrumpet®

## hyTech

**PTRUMPET HYTECH** is the cutting edge of trumpet innovation. Utilising our years of plastic manufacture experience alongside the very latest brass instrument manufacturing techniques, we have crafted a unique trumpet catered for both rental and retail environments. At only 650g (1.4 lbs), this lightweight Bb Trumpet incorporates traditional stainless-steel pistons inside a yellow brass valve block to ensure the tightest tolerances. The leadpipe, bell, bell-bow and tuning slides have been individually shaped to deliver a free-blowing feel and advanced performance standard. Supplied with a brass 7C mouthpieces (to CITIES standards) and padded gig bag. Square box case is also available for rental version.

.....

### ► Product Specification

- > Bb Hybrid trumpet
- > ABS Main Body Construction
- > 11.65mm Bore (.459dz)
- > 128mm Bell (5dz)
- > Patented Hybrid leadpipe design
- > Brass Mouthpiece Receiver
- > Accepts any regular metal mouthpiece
- > Top Sprung Valves with ABS guides
- > Precision Milled 304 Stainless Steel Sleeved Pistons with ABS Core
- > ABS Valve Block with Yellow Brass Sleeves
- > Adjustable 1st and 3rd Valve Slides
- > 1st and 3rd Valve Slide Stop
- > 1st & 3rd Slide Trigger Rings
- > Removable 2nd Valve Slide
- > Plated Steel Water Keys with Silicon Seals (Main Tuning Slide + 3rd Valve Slide)
- > Aluminium Top & Bottom Valve Caps
- > Aluminium Valve Stems
- > Contoured Aluminium Finger Buttons
- > 7C Silver Plated Brass Mouthpiece
- > Quality Padded Gig Bag or Square Box Case (Rental only)

## About Warwick Music Group

Warwick Music Group (WMG) is the innovation-led company that created the world's best-selling plastic instruments: pBone, pTrumpet and pBuzz and that includes Warwick Music Publishing. Based in Staffordshire, England its operations now span four continents: North America, Europe, Asia and Oceania (Australia).

WMG's mission is to create high quality and accessible instruments that develop and nurture brilliant musical experiences. Every day hundreds of thousands of musicians have fun making music on WMG's instruments – helping fulfil its goal that the “world's future musicians start their musical journey with us”.

pBone, manufactured in lightweight, durable plastic, has become the world's best-selling trombone; pTrumpet is the world's first all-plastic trumpet; pBuzz is an innovative beginner instrument which teaches the fundamentals of brass playing in classrooms and bands worldwide. The instruments have enabled WMG to become a staple part of music teaching and education.

## Awards

WMG's award wins include the coveted Best in Show at NAMM, 2016 Music Teacher Awards Education Product of the Year, The Horner's Award for Plastics Innovation and Design - and Gold in the Primary Teacher Awards 2016. In 2017, WMG was recognised as one of the English Midlands' Top 50 most innovative companies.

## BioCote® Protection

pInstruments® are the only musical instruments manufactured with BioCote, a market leading antimicrobial technology for ultimate protection against microbes, such as bacteria and mould.
